

Call for Papers – You make the difference!

You're currently in training, studying, or have just completed your apprenticeship? You're passionate about the world of orthopaedic treatment and care and have innovative ideas, exciting research results, or clever solutions from workshops – or directly from patient care? Then this is your chance to present your work to an international audience. Submit your contribution to the World Congress!

What are we looking for?

- **RESEARCH WORK**
that offers new perspectives and insights.
- **THESES**
that present innovative solutions and practical approaches for the future of technical orthopaedics.
- **CRAFTSMANSHIP**
that demonstrates how you improve care through creativity and expertise.

Why participate?

- **GAIN VISIBILITY**
Showcase your skills, demonstrating how you help improve the lives of people with disabilities.
- **SET STANDARDS**
Show the sector what you can do and play an active role in shaping the future of technical orthopaedics.
- **EXPAND YOUR NETWORK**
Make valuable contacts with experts and professionals in technical orthopaedics and build up your network.

DEADLINE for submitting your abstract: 28 September 2025

Seize this opportunity and make a difference –
with your expertise, your ideas and your passion!
We look forward to receiving your submission!
