OTWORLD

International Trade Show
and World Congress

19 – 22 May 2026
Leipzig, Germany

www.ot-world.com

50 YEARS OF OTWorld – CELEBRATE WITH US!

Join us in marking five decades of innovation, collaboration, and global progress in modern assistive technology. OTWorld is the world's leading trade show and congress for the provision of modern orthopaedic treatment and care – and in 2026 we're celebrating its 50th anniversary!

WHAT TO EXPECT

Step into bustling exhibition halls and engaging congress sessions. Discover cutting-edge technologies, gain hands-on insights, and connect with professionals from across the globe. Whether you work in a workshop, office, retail setting, R&D, manufacturing, or directly with patients – your presence shapes the future of care.

WORLD CONGRESS – WORKING TOGETHER TO MAKE A DIFFERENCE

How can modern orthopaedic treatment and care enhance mobility, quality of life, and social inclusion for patients worldwide? This is the central question driving the OTWorld 2026 Congress – and your expertise is key to the answer. Join leading minds from across the globe for cutting-edge professional development tailored to everyone involved in the field: prosthetists and orthotists, therapists, physicians, and researchers alike.

From pioneering technologies and real-life case studies to the latest scientific insights, the congress delivers actionable knowledge and fresh inspiration for your daily work. It's all about enabling you to make smarter, more effective decisions that truly benefit the people you work with.
