

# UFO-51 Universal AFO

Simplify inventory management  
with Thrive's new universal carbon  
fiber AFO

## Ultra Flexible Cuff

Heat-moldable, flexible calf cuff allows for a wider range of anatomical shapes and sizes

## Patent Pending Track System

32 incremental height options range from 11.5 to 16 inches, making the UFO-51 a full inch taller than any other universal AFO

## Flexible Lateral Strut

Uniquely takes advantage of the footplate versatility to perfectly position the flexible strut which allows for more dynamic movement

## Trimmable Footplate

Footplate adjustments range from US W5 to M14

✓ L1951 or L1952

PART #	SIZE	FOOT PLATE LENGTH	BRACE HEIGHT
UFOLT	Universal Left	8.75" - 12"	11.5" - 16"
UFORT	Universal Right
