

## **Author**

Hochmann, David (Steinfurt DE) | Prof. Dr.-Ing.  
FH Münster - Labor für Biomechatronik

## **Title**

SIGMA3D – simulation-assisted med-tech platform for providing custom 3D-printed devices

## **Coauthors**

Opitz M, Glas F

## **Summary**

-

## **Introduction**

-

## **Methods**

-

## **Results**

-

## **Conclusion**

-

## **References**
