AC Mould Engineering Limited Reliable production

Everything from the one source! The Chinese contract manufacturer, AC Mould, offers manufacturing services for orthopaedic bandages tailored to the specific needs of the customer. The company will present their one-stop services – including their research and development work, prototyping, mould creation, injection moulding process, cutting to size and sewing, follow-up processing, testing and assembly. AC Mould carries ISO 9001 and ISO 13485 certification and is registered with the FDA.
