International Trade Show and World Congress

10–13 May 2022, Leipzig, Germany

A POWERFUL START FOR YOUR BUSINESS IDEA!

OTWORLD TAKES START-UPS TO A NEW LEVEL

The OTWorld is the world's leading sector get-together for all service providers, manufacturers and distributors in the field of modern medical aids and equipment. Held every two years, it combines high-quality advanced training with the world's leading trade show. With over 550 exhibitors and approximately 21,500 visitors, this trendsetting presentation of innovation offers orthopaedic technicians, orthopaedic footwear professionals, rehabilitation technicians, engineers, doctors and therapists a chance to meet and exchange ideas.

THE PERFECT FRAMEWORK FOR NEWCOMERS

In Leipzig, the future of healthcare is being created today which makes the world's leading trade show the ideal platform for newcomers to introduce themselves to the sector. The custom-made Start-up Zone provides optimal opportunities to present your products to a professional and international audience.

THE BEST NETWORKING OPPORTUNITIES

The Start-up Zone not only provides you with direct contact to top business and research decision-makers and experts, it's also a perfect place to network with potential investors and partners from Germany and abroad. Centrally located, the area will arouse a lot of attention!

IDEAL CONDITIONS

The Start-up Zone offers two participation options, enabling you to showcase your products with a presentation tailored to your own ideas and needs. Its open lounge atmosphere facilitates contact with exhibition visitors and congress delegates. Special press and promotional activities are also planned to raise target group awareness of the Start-up Zone.
